

Dear owner of SSH employee stock options,

Please find below instructions for exercising your SSH stock options to buy SSH shares.

The new custody and settlement system of Euroclear Finland Oy relating to the European wide Target2-securities (T2S) project will be launched in Finland on 7.5.2018.

Differing from the previous procedure the option holder must from 7.5.2018 onwards contact their account operator to use options for share subscription. Subscriptions will be accepted only by the account operator where the options are held. All the account operators are required to accept subscriptions from their account holders.

Holders of employee option rights who have a book-entry account at Evli Bank can carry out their subscription electronically through the Incentive portal at <https://incentive.eam.fi>. Other option rights holders (investor) who have a book-entry account at Evli Bank can subscribe shares by contacting Evli Bank's Helpdesk by email at operations@evli.com or by phone at +358 (0)94766 9931 (9:00 AM – 4:00 PM).

Holders of employee option rights or other option rights holders (investors) who have a book - entry account in another bank or account operator will contact their respective account operator for share subscription. You will also receive further information on how to subscribe SSH shares from your account operator. The account operator will inform Evli Bank on the share subscription and SSH will receive information regarding the share subscription through Evli Bank .

Subscription windows during 2018:

- 01.01. - 23.03.2018
- 24.03. - 12.06.2018
- 13.06. - 18.09.2018
- 19.09. - 11.12.2018

Actions after the share subscription

The Board of Directors of SSH Communications Security will approve your share subscription; the subscriptions are usually handled once per quarter. After the approval from the Board, SSH Communications Security Corporation will register the increase in the share capital in the Trade Register and will apply that the new shares be made available for public trading at Nasdaq OMX Helsinki on the main list.

Please note that depending on the timing of your share subscription in relation to the SSH Communications Security Board meetings, and depending on the handling time at the Trade Register, it may take weeks before the shares will be available for public trading. The dividend rights of the new shares and other shareholder rights shall commence when the shares have been entered in the Trade Register.

Best Regards,

SSH Communications Security Corporation
